

**Canadian Institute of Public Health Inspectors
BC Branch Continuing Education Webinar Series
Fall 2016- Spring 2017**

**Understanding Professional Development Hours Entry
November 22, 2016 from 09:00 - 10:00 (PST)**

CIPHI requires Regular Members to participate in the Continuing Professional Competencies Program. This presentation will promote the benefits of participation, explain the various categories of professional development, review the expectations of members for participation, and provide hands on live demonstrations of professional development hour entry in CIPHI's Member Service Centre. The goal is to help members understand the program requirements and increase overall participation rates in the CPC Program.

**Keir Cordner
Environmental Health Officer, First Nations Health Authority**

Keir Cordner is an Environmental Health Officer working for First Nations Health Authority. Keir has over twenty years' experience working in the roles of food safety officer, drinking water officer, communicable disease officer, small scale food processor project manager, and food safety educator. He graduated from Ryerson University in Toronto and quickly travelled west to work in Kelowna, followed by Port Moody, Courtenay, and now Victoria. He is an active volunteer in the Canadian Institute of Public Health Inspectors and has held the positions of BC Branch President, National Treasurer, and is currently the National Chair of the Council of Professional Experience. Keir has recently been a subject matter expert participating in the development of the BC MarketSafe online course.
